

Training Organisation	Website	Brief Description
3sun Academy Ltd	www.3sunegroup.com	IRATA, WAH, Health & Safety, Mechanical & Industrial, Technical & Vocational, CCNSG, Bespoke - do they work Internationally?
A+B Training Services	www.abwaterjet.co.uk	Water Jetting, Asbestos Cat A, Manual Handling, WAH, CS etc City & Guilds accredited
Aberdeen Drilling Consultants	www.abdc-engineering.com	Well control and management of pressures training, also have a virtual academy e.g. understanding drilling equipment
Aberdeen Drilling School	www.aberdeen-drilling.com	IADC and IWCF accredited Drilling Courses (Centre in Malaysia as well as UK and in-house)
Academy of Joint Integrity	www.academyofjointintegrity.com	UK and Overseas (mobile training rigs) Certified Training in Flange Assembly, ECITB and Energy Institute Courses
Access Platforms Aberdeen	N/A but flyers available	IPAF (Int Powered Access Fed) for MEWPS, WAH COSHH, Risk Assessment, Gantry Crane, Forklift
AGR TRACS Training	www.training.agr.com	Customised Commercial and Technical Courses for Oil and Gas e.g. Subsurface Fundamentals
ALS Group	www.alsgroup.co.uk	Full Range of 300+ courses - Survival, NEBOSH, Safety, Rope Access, Painting/Blasting etc
ALS Safety	www.alsafety.co.uk	WAH (including IPAF and PASMA), Confined Spaces and General Safety
AMEC FW	www.amec.co.uk	International full service training solutions provider. Primary focus is designing, developing and delivering site-specific operations and maintenance training programs.
Aquaterra	www.aquaterra.co.uk	Wide Range of courses to International Standards - see website e.g. WAH, CS, Blasting etc to IOHS and Opito Standards
ASET International O&G Training Academy	www.aset.co.uk	Wide range of further education and vocational training that can be delivered worldwide
Atlas	www.atlasknowledge.com	Learning Technology Services business - for safety critical industries globally
Braemar Howells	www.braemarhowells.com/accredi	Emergency Response Training (MCA and IMO accredited) - Oil Spill Response, HNS/Hazmat, ICS (Incident Command System) Training
Carl Stahl Evita	www.carlstahlcvita.co.uk	Specialised Lifting & Safety Training on a worldwide scale. Welding, Wire Rope, Forklift, Mobile Access, Lifting Ops, WAH, Confined Space etc.
Crescent	www.crescent.co.uk	Training programmes that cover control of work, process safety and personal safety
CSC International	www.csc-international.co.uk	A leading global provider of specialised safety training (to International Standards) and manpower recruitment services
Davidson Training & Development Group		Lifting & Rigging training specialists - relevant industry standards
DNV GL	www.dnvgl.com	International Standards
Draeger Safety UK	www.draeger.com	Safety training e.g. CS and Fire related training e.g. breathing apparatus etc.
Drilling Systems (UK)	www.drillingsystems.com	Oilfield Training Simulation Technology Development for Drilling & Well Control, Well Intervention, Production & Process, Cranes & Lifting. Also provide Instructor Training and ongoing product support services.
ECITB	www.ecitb.org.uk	Commission a network of training providers to deliver training in UK and abroad - Courses include Technical, Supervisory/Management, Project Management, Safety Training
EIC (Energy Industries Council)	www.the-eic.com	Tech Workshops, Industry Overviews, B&M Courses, HSE Courses (CPD accredited)
Energy Institute	www.energyinst.org/training	Wide range of Training for Petroleum Industry - HSE, Management Training, Corrosion, Drilling, International Standards etc.
Enermech	www.enermech.com	Lifting, Hydraulics, Joint Integrity and Safety Training (training centre in Singapore)
Eng-Cad	www.eng-cad.com/training-service	Oil & Gas Training and Introductory courses - onsite or e-learning
EPIT Group	www.epitgroup.com	Training, Assessment and Consultancy for Hazardous and Industrial Areas (City & Guilds, MCA accredited)
ESD Simulation Training	www.esd-simulation.com	Training for Process Industries - Subsea Systems, Well Mgmt and also downstream industry
Evolve Training	www.evolvelearning.com	Wide range of courses, NEBOSH to lifting to confined space etc.
Falck Safety Services	www.falck.co.uk/safety-services/	Offshore Survival and Safety Training - Thailand, Malaysia, Singapore bases
Fearnley Procter	www.fp-international/about-train	Drilling Operations & Engineering Courses, NS-1 and NS-2 courses, QMS courses - ISO 9001
Franks International	www.franksintl.com	Specialist training e.g. casing, tubing, completions etc. on test rigs
Global TCC	www.globaltcc.com	Safety, Competence, PD & Leadership training. Also HSEQ Consultants.
HSS Training	www.hsstraining.com	Technical, Compliance and Safety Training
Humberside Offshore Training Association	www.hota.org	H&S Training, Firefighting, Emergency Response, Offshore Specific courses
Hydratight	www.hydratight.com/en/training	Machining and Joint Integrity Training
Institute of Mechanical Engineers	www.trainingsolutions.imeche.org/	Training for - Coating Inspection, Weld Inspection, NDT, Inspection, QA and appreciation for engineers. Also bespoke training and consultancy in training & certification for personnel
Institute of Petroleum Engineering - Heriot Watt	www.hw.ac.uk/schools/energy-geo	Post Grad Oil & Gas courses (also campus in Malaysia)
Intertek	www.intertek.com	Well Control, also Technical and Safety Training for Oil & Gas and Petroleum Industries
Inter Training Systems	www.intertraining.uk.com	Lifting Operations training and competency assessments
ITB Competence Assurance	www.itbtid.co.uk	Competency training
JB Training	www.jbtraining.co.uk	Training for Lifting Operations Industry
Jee	www.jee.co.uk	Full lifecycle training but specialists in Subsea and Intro to Industry courses (typically a day to a week)
Julian Woodall		H&S Training Consultant - courses accredited through OFQUAL and NUCO Training Ltd
KCA Deutag (and RGU)	www.kradeutag.com/businessands	All aspects of drilling training in partnership with RGU - well control, surface & downhole equipment and operations
Kelvin Top Set	www.kelvintopset.com	Incident Investigation Courses
Lloyd's Register Drilling Integrity Services	www.lr.org/en/oil-gas/training-for-	Technical training - Drilling, Engineering, Software and Risk Reduction
Maersk Training	www.maersktraining.com	Full portfolio of Oil & Gas, Maritime, Renewables and Crane training courses
MDT International	www.mdtinternational.com	Courses to build commercial capacity in O&G - P Mgmt, Accounting etc Intro to Industry
Monitor Management Control Systems	www.monitor-mpower.com/trainin	Accredited Project Management courses, business skills, tendering, commercial awareness, software training etc.
Muehlan Training Services	www.muehlantraining.com	CISRS accredited scaffolding, Rope Access, Pasma, H&S, OPITO Insulation
National Hyperbaric Centre (JFD)	www.ifdglobal.com/services/trainin	Diving and ROV Ops etc.
Navitas Compliance Solutions	www.navitasinternational.com	QM and HSEQ Training and Consultancy. Behavioural, Compliance, Safety, Lifting training.
Northern Marine Manning Services	www.nmms.co.uk/training	Accredited training for International Maritime Industry - some specific Oil and Gas courses, can train in Singapore too
North Sea Lifting (ASCO)	nsl.ascoworld.com/services	Mobile Training - 1 day combined course (Hazard Identification & Risk Assessment, Permit to work, Lock-out Tag-out, WAH and Recue, CS Entry, Rigging Awareness) also eLearning - Subsea Lifting, Crane FMEA, FAT and Commissioning, Cargo Handling etc.
Oilennium (Petrofac)	https://oilennium.com	IWCF Level 1, Intro to Oil & Gas, Fundamentals of Drilling, Coiled Tubing, Pipeline Pigging, Leadership and Management, Technical Skills, Process Safety, OSHA, HSEQ, Simulators
OPITO	www.opito.com	Standards & Approval body for skills & training - focal point for skills, training and workforce development
Orion Group	www.orionjobs.com	They won the selection, recruitment and training contract for 3000 PNG Nationals to be engaged on the PNG LNG Project
Oxford Princeton Programme	www.oxfordprinceton.com	Courses delivered on-site or Singapore - Oil Industry, Oil Supply and Trading, E&P
PDI	www.pdi-ltd.com	Subsea Engineering Training
Penspen	www.penspen.com	Onshore & Offshore Engineering, Asset Management, Asset Integrity courses - onsite or Thailand/Singapore
People Factor Consultants	www.peoplefactor.co.uk	Global training - Electrical, Telecommunications, Instrument Skills and Non-Technical too e.g. Offshore Safety/Situation Awareness, Communication, Decision Making, Stress Management etc.
Petans	www.petans.co.uk	Safety training
Petrofac Training	www.petrofactraining.com	Full portfolio of Oil & Gas, Maritime, Renewables training courses
QMI Scotland Ltd	www.qmi-scotland.co.uk	Certified QHSE Training including ISO 9001 etc. also customised in-house courses, can use interpreters if required
RGU	www.rgu.ac.uk	University level courses and Drilling Training in partnership with KCA Deutag
Sabre Safety	www.sabres3s.com	Authorised Gas Tester, Hydrogen Sulfide, Breathing Apparatus, Confined Space, First Aid Training
SAFER Training	www.safer-training.com	HSE Training for Subsea Operators, Marine Contractors, O&G companies as well as services for training providers
Score Training	www.score-training.com	Comprehensive Training for the Valve Industry
Sparrows Training	www.sparrowgroup.com	Crane Operator, Lifting, Rigging Training and Competency courses
SUBC Engineering	www.subceng.com/training-service	Subsea, Drilling, Hydraulics courses (possibly Aberdeen only)
Survivex	www.survivex.com	Full portfolio of Oil & Gas, Maritime and Renewables training courses - Survival, Safety etc
Talon NDT	www.talondt.co.uk	NDT Training and IRATA Training onsite and Internationally
The Underwatercentre	www.theunderwatercentre.com	Specialist training for Subsea Industry - Diving and ROV (facility in Tasmania for SH)
TTE International	www.tte.co.uk	Technical training - Engineering, Process, H&S, Management
TWI	www.twitraining.com	Welding, Welding Inspection and NDT Training and Certification
University of Aberdeen	www.abdn.ac.uk	University level courses

Malaysia Office

WGPSN
Wild Well Control

www.woodgroup-psn.com Process Control Training, Nationalisation plans, tailored technician training (with ASET re local content)
www.wildwell.com/well-control-tra IADC and IWCF Courses as well as customised in-house training
